Mistakes from sample document

- Tiktok and habbits written on cover page is unnecessary
- Emojis are not used in professional documents
- Headings are not given bullet points they are written with numbers
- Program name is not written in header
- name and roll number are not written in footer too
- Whole branding statement is written in italics while in professional document all text is not written in italics
- In page 4 intern is written in place of internship
- In page 4 bullet is used but no text is written
- Picture at end is unnecessary
